Hi Beekeepers,

I took your email address off of the Florida State Beekeepers website.

I'm just sending this out to let you and your clubs know that I will be at the Florida State Beekeepers Association Convention in October!

To BEE sure that I have the items you need and are looking for, why not take a few minutes and place an order. **Just email your order to me by Monday October 25<sup>th</sup> so that I can be sure it is packed up in time. I can save you shipping!!!**

Are you looking for an extractor and want to save on the shipping? I carry Maxant extractors and would be glad to bring your with me. Please call or email for Maxant extractors as I have a limited supply in stock at the moment and we want to be sure we have the one you are looking for. ☺

See you at the conference!

Debbie
